Dear Colleagues and Friends,

*I would like to invite you to attend the 8th edition of the **Mediterranean Cardiology Meeting (MCM), May 28-30, 2017 in Catania (Italy).***

Over 1500 participants attended our last meeting with also strong international participation which confirmed the highest interest aroused by this biannual meeting.

An outstanding Faculty, selected between the leading experts on these fields, will provide the highest quality teaching with new interactive programs and happenings.

Thorough multidisciplinary Courses, Symposia, Debates on Controversial Topics, Clinical Tutorials, Luncheon Panels, Focus on, Meet-the-Expert Sessions, Interactive Cases-Review from Faculty and Attendance, Televoter Sessions, Intercultural Exchanges, Abstract and Poster Sessions the meeting will highlight the current state and the prospective developments for the treatment of: Atrial Fibrillation, Sudden Cardiac Death, Heart Failure, Acute Coronary Syndromes, Global Cardiovascular Prevention, Arterial Hypertension, Pharmacological Therapy, Syncope, Congenital Heart Disease, Cardiac Monitoring Technologies and Genetics.

*The main target of the meeting is to give the latest update on **Clinical & Interventional Cardiology** and it is addressed to cardiologists, internists, first aid clinicians, physicians of general medicine, fellows, nurses and technicians with high interest in the whole management of cardiac pathologies.*

Catania, as one of the most famous historical and cultural locations in the whole Mediterranean area, is the ideal setting for this meeting. It is a particularly lively and fascinating town, rich in marvellous examples of typically Sicilian baroque style, as well as one of the main economic and educational centres in the island, and a key hub of the technological industry. This beautiful city, full of colours, perfumes and flavours, is suspended between the deep blue of the Ionian Sea and the majestic shape of Etna volcano, which dominates the town from afar.

Looking forward to seeing you in Catania, sincerely

Michele M. Gulizia, MD, FESC, FACC
