Submitting files
Due Monday, February 13, 2023

I have uploaded an example of a project submission to a Github repository: <https://github.com/akilnarayan/math6630-project0-template>.

Complete the following:

- Download/clone this repository.
- In the file `report.tex`, change my name to yours.
- Commit this change.
- Submit this changed repository online in a Github repository named `math6630-project-0`.

See the posted submission guidelines for instructions on how to submit to me on Github.
