Final Project Progress Report

Spring 2019

1 Overview

Your project progress report is due on April 2. The report should describe the portion of the project that has been completed, what yet to be done. It should describe whether or not your team has met the milestones described in the proposal. If you plan to make modifications to your project proposal, please provide a reasonable justification and an updated timeline with milestones (see course website for details).

2 Final Project Progress Report

Your project proposal should be a well-written, 1-2 page description of your *project progress*. It should contain the following parts:

1. Team Members: the names and UID of your team members.
2. (1 pt) High-level project description
3. (1 pt) A list of completed milestones
4. (1 pt) A list of upcoming milestones
5. (5 pt) Preliminary results and efforts already put towards the project
6. (1 pt) Potential modification to the project, justification, and updated milestones (if any); Is your project on track? (Y/N)
7. (1 pt) Summary

Your project proposal report is to be submitted in PDF (or ZIP, if your submission contains data other than the report alone).
